

HOW TO TAKE MEASUREMENT

SIZE CHART

* Nb: Swimsuit fit is down to personal preference and may change from difference in construction and fabrics. The size chart above refers to a standard fitting.

Swimmers wishing to achieve a more compressive sensation or tighter fit may find choosing a smaller size as an option. L (long) size are recommended to taller swimmers (>180cm).

H **Height:** To determine your height, stand up straight and measure the distance from the crown of your head to the sole of your foot.

T **Body length:** In a loop, measure from the highest part of the shoulder, beneath the crotch and then back to the starting point.

A **Chest:** Take the measurement over the fullest part of your bust.

B **Waist:** Measure around the narrowest part of your waistline.

D **Hips:** Measure around the fullest part of your hips.
